Type of Class:	Choose an item.	Topic/Skill:	

Hard (Technical) Skills	Comments:
Quality of Explanation and Modeling (Clarity of explanation / grammar prompts, etc.)	
Voice and Language Appropriateness (Level appropriate, not verbose, good pace and volume, etc.)	
Whiteboard Usage and Annotations (Frequency, visibility, handwriting, organization, important references, stem sentences, examples, etc.)	
Student Participation (Equal student speaking time, attention divided equally, etc.)	
Classroom Management (Student behavior, classroom management techniques, etc.)	
Student Accountability (Holds students accountable for class work: full sentences, pronunciation, grammar, spelling, completion of class work, etc.)	
Time Management (Pacing, efficient movement through lesson stages, etc.)	
Soft (Interpersonal) Skills	Comments:
Classroom Atmosphere (Creates a positive classroom atmosphere: encouraging, supportive language, cares about students, etc.)	
Student Engagement (Students are engaged, holds interest well, use of humor, expressive voice, face and body language, etc.)	
Lesson / Class Goal (Clear lesson goal, realistic expectations, goal achieved, etc.)	

Three Key Areas for Improvement:	Overall Comments:
