

DYB Sub Prep Checklist

When going on vacation, please make sure that you adequately prepare for the sub teacher(s) covering your classes. Thorough preparation needs to be done regardless of whether your vacation is just one day or a couple of weeks or if classes are fully online, offline, or hybrid. It's always better to over prepare and leave too much than too little.

Please use the following checklist to make sure that you have thoroughly prepared.

SUB NOTES (Feel free to use the template provided or make your own)

I have included:

- ☐ A copy of my schedule
- ☐ Start and end times of each class (times may vary slightly between co-teachers)
- ☐ The time breaks are given during your class (if classes are longer than an hour)
- ☐ Room numbers for all classes
- ☐ Wi-Fi login details for each classroom
- ☐ Zoom IDs and Passwords for all classes (even if the class is usually 100% offline)
- ☐ My Zoom login details (only if you host your own meetings)
- ☐ The number of students in each class
- ☐ Computer / photocopier / door passcodes (whichever relevant)
- ☐ Brief notes about the different classes *Especially if there are problem students to look out for / special requests from co-teachers / special things that need to be done in the classes
- ☐ Specific class information *Especially if a co-teacher is behind schedule
- ☐ Notes about how to grade book reports (each branch has a slightly different grading scale and system)
- ☐ Ideas for time filler activities (games / activities that can be done if work is completed early)
- ☐ Notes about new student interviews (if Athena or Song's)
- ☐ Space for sub teachers to leave notes about any problems / things they need to make me aware of in my absence
- ☐ My contact details (email and/or Kakao details) in case of emergency
- ☐ Any other information deemed relevant to my classes or the time period

DYB Sub Prep Checklist

SUB PREP CHECKLIST:

I have:

- ☐ Informed my co-teachers that I will be off
- ☐ Printed out my sub notes and left a digital copy on Dropbox (6 – Sub Prep / Branch / [create a folder with your name and dates off])
- ☐ Left copies of all the relevant textbooks
- ☐ Carefully chosen and adapted lesson plans for each class (teachers know their own students best and what works for the different classes and their dynamics)
- ☐ Printed and labeled a physical copy of each lesson plan
- ☐ Made sufficient photocopies of worksheets for each lesson (better to print additional worksheets and copies, even if you think they may not be used)
- ☐ Clearly labeled digital copies of lesson plans and PPTs and uploaded them to Dropbox (6 – Sub Prep / Branch / [create a folder with your name and dates off])
- ☐ Left a class list for each class with the names of all students
- ☐ Left additional copies of essay books and blank essay writing pages (if I use essay books)
- ☐ Left any other materials needed for all classes (e.g. mini whiteboards, poster paper, etc.)
- ☐ Left new student interview forms and answers to tests (if Athena or Song's)
- ☐ Checked my sub preparation with my team leader
