|                                                                                                               |
|---------------------------------------------------------------------------------------------------------------|
| <b>Warm-up:</b> An engaging activity that subtly introduces the skill or the topic.                           |
| <b>Timing:</b> 7-10 minutes.                                                                                  |
| <b>Notes:</b> Consider if the activity encourages participation from all students. Avoid yes/no interactions. |
| <b>Part 1: Title</b><br><b>Purpose: Details</b><br>Instructions                                               |

|                                                                                                                                                                                                                                                                                             |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Practice:</b> Introduces and practices the skill.                                                                                                                                                                                                                                        |
| <b>Timing:</b> 10-15 minutes.                                                                                                                                                                                                                                                               |
| <b>Notes:</b> Consider interactions and opportunities for students to use English. Pair and group work for later practices is ideal. Activities should normally increase in difficulty and build on each other with the aim of enabling students to freely use the skill in the production. |

# Topic

|                                                                                               |
|-----------------------------------------------------------------------------------------------|
| <b>Production:</b> Combines the focus and skill of the lesson in a student-centered activity. |
| <b>Timing:</b> 25-30 minutes.                                                                 |
| <b>Notes:</b> Aims to push students and their abilities.                                      |
| <b>Part 1: Title</b><br><b>Purpose: Details</b><br>Instructions                               |

|                                                                                            |
|--------------------------------------------------------------------------------------------|
| <b>Closure:</b> A time for the students to reflect on what they have learned in the class. |
| <b>Timing:</b> Under 5 minutes.                                                            |
| <b>Notes:</b> Sharing the production activity is not a closure.                            |
| <b>Part 1: Title</b><br><b>Purpose: Details</b><br>Instructions                            |
