- **Time Filler Activities:** (State what can be done with the students if classes finish early – e.g. I have left a speaking game called “30 Seconds”. Special Notes about Classes:

Student Notes:

(If necessary, leave a note about classes as a whole or about individual students – e.g. The Gaia class on Tuesday at 4pm is very smart, but talkative. Try to keep them on track, but also give them the opportunity to discuss interesting topics. / Student X and Y in the Apollo class on Wednesdays at 6pm often fight. Don't allow them to sit close together. / Student Z in Hera class on Thursdays at 5pm will only speak if called on. Please make sure to call on them.)

Co-teacher Notes:

(If necessary, leave a note about anything important to note about the co-teacher – e.g. Co-teacher A doesn't like it if students don't have at least a double-sided worksheet to take home to parents. Please make sure you are able to complete this in class). / Co-teacher B is behind schedule with Solis. It is essay brainstorming week, so you may need to explain the topic in a bit more depth because the students haven't read it.)
